

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

when not in use shall be stored and kept in some place where they shall not become offensive or create a nuisance.

REG. 5. *Final disposal of contents.*—The contents of every vault, privy, sink, or cesspool shall be disposed of in accordance with the terms and conditions of the permit issued by the department of health and in such manner as not to create a nuisance.

**Garbage and Other Offensive Matter—Removal by Vessels—Regulation of.** (Reg. Dept. of Health, Mar. 30, 1915.)

Regulations of the department of health of the city of New York, adopted March 30, 1915, effective April 1, 1915, relating to section 245 of the Sanitary Code, which provides as follows:

SEC. 245. *Ships, boats, and other vessels; not allowed at dock or pier unless permitted.*—No ship, boat, or other vessel shall be taken or allowed by any person to come into, or lay at or within, any dock, pier, bulkhead, or slip, for the purpose of the shipment or removal of any offal, garbage, rubbish, blood, or offensive animal or vegetable matter, dirt, or dead animals, or for the use of any contractor for the removal of any of the foregoing substances, without a permit therefor issued by the board of health, or otherwise than in accordance with the terms of said permit and with the regulations of said board.

REGULATION 1. *Construction of container.*—Every ship, boat, or vessel and the implements and containers used thereon shall be so constructed as not to permit of the escape of offensive liquids or material therefrom.

REG. 2. *Treatment of contents.*—The contents of every ship, boat, or vessel shall be so treated and cared for as to prevent the access of flies.

REG. 3. *Prevention of odors.*—No offensive odors shall be allowed to escape from any ship, boat, or vessel or the implements or containers used thereon to the detriment or annoyance of any person or persons not being thereon or thereupon engaged.

REG. 4. *Dropping of contents on dock or into water prohibited.*—Adequate means shall be provided to prevent the dropping of offensive materials or the liquids therefrom upon the dock or into the water of the harbor during the unloading of wagons or loading of vessels.

**Manure, Garbage, and Other Offensive Material.** (Reg. Dept. of Health, Mar. 30, 1915.)

Regulations of the department of health of the City of New York, adopted March 30, 1915, effective April 1, 1915, relating to section 242 of the Sanitary Code, which provides as follows:

SEC. 242. *Accumulations of manure, offal, garbage, and other offensive and nauseous substances; retention and disposal regulated.*—No pile, deposit, or accumulation of manure, offal, dirt, or garbage, or any offensive or nauseous substance, shall be made within the built-up portions of the city of New York, or on or upon the piers, docks, or bulkheads adjacent thereto, or on or upon any vessel, boat, or scow, lying at such pier, wharf, or bulkhead; nor shall such pile, deposit, or accumulation be made anywhere in said city within 300 feet of any church or place of worship, or inhabited dwelling, without a permit therefor issued by the board of health or otherwise than in accordance with the terms of said permit and with the regulations of said board; and no person shall contribute to the making of any such pile, deposit, or accumulation without such a permit or otherwise than in accordance with the terms of such permit and the regulations of said board; nor shall any car loaded with or having in or on it any such substance or substances be allowed to remain or stand on any railroad track, street, or highway, within 300 feet of any inhabited dwelling, or elsewhere in said city, nor shall any vessel, boat, scow, or float loaded with any such substance or substances be allowed to remain at any pier, dock, or bulkhead in said city, without a permit therefor issued by the board of health, or otherwise than in accordance with the terms of said
